

NOTES

The project includes:

- 1 New Porch door screens to create a draught lobby and a short ramp to replace the step.
- 2 Alterations to the existing oak panelled draught lobby to enclose two WCs, one accessible for wheelchairs
- 3 Alterations to the existing childrens' pews, the wall panelling and the bread cupboard
- 4 Removal of two pews and the creation of an area for welcoming visitors
- 5 Relocation of the Anglian cross shaft fragment and two grave slabs
- 6 New electrical installation and minor alterations to the existing heating system
