In 2003, Dr Andy Knox (from Ash Trees Surgery) visited Kampala Children's Centre (KCC), as part of his sabbatical, with his family. KCC has been described by the President of Uganda as the blueprint for how all orphanages should be run, across Africa. It's a truly remarkable place. As well as having developed a first-class school for the children of KCC and the surrounding area, through to 18, there is a medical centre which serves the wider community, where Andy did some work. The education provided is varied and includes some excellent opportunities in the creative arts. From this has been born 'Destiny Africa', a choir which has performed at Number 10, Downing Street, and for various other world leaders.

Destiny Africa are currently on tour of the UK and are coming to Arnside!

There will be an opportunity to learn more about the work of KCC and even think about child or house-parent sponsorship. The evening promises to be full of joy and truly wonderful performances. Come along and experience some Ugandan magic!

Heversham Parish Council have been informed by Dallam that there is extensive **Ash Die Back** on the old railway line alongside Tristrams Playing Field and felling will be required. This means that there will be periods when sections of the permissive footpath from Wilson's field to Tristrams have to be closed for safety reasons. The work is expected to begin in November.

The contractors will be working in phases, so any closure is not expected to be for long periods. When the section from the Woodhouse Lane Bridge to the stile into Tristrams has to be closed, Dallam has agreed to grant temporary access along the field side of the trees – but asks walkers to keep to the edge of the playing field and keep dogs under control.

### **Be alert for scams - they are on the increase!**

These are the top five to look out for:

1. Fake texts and emails, known as 'friend-in-need scams' - these are messages from unknown numbers claiming to be from your relatives/children, asking you for money. Be suspicious! It's okay to take your time. Try to contact them directly on a known number. Only consider the request if you're 100% sure it is genuine.
2. Home Improvement scams - if you're being pressured to pay upfront for work, or the company adds on additional costs before completing the work, it might be a scam. Research the company first, don't be rushed, and get a written agreement of the work before it starts. Pay by card, which gives you greater protection.
3. Online shopping scams - watch out for fake adverts. If it looks too good to be true, it may well be! Protect yourself by reading reviews from different websites, find the company's details on the Companies House website, check their terms and conditions, and pay by card.
4. Used car scams - when buying a car, avoid scammers by using an established firm with a good reputation. Check the car's history. Inspect the car and take a test drive. Avoid buying at auction or online – you have less protection.
5. Financial scams - if you're contacted for an investment opportunity unexpectedly online it could be a scam. Get advice from a trusted source and don't be rushed into making any quick decisions. Never give money, passwords or bank details to someone you don't know or have only met online.

Dear Friends,

On the second Sunday in November we turn in heart and mind to think of those who paid the supreme sacrifice for our nation over the past 110 years. One phrase often associated with Remembrance Sunday is the poignant '**Lest We Forget**'.

I had assumed that this line came from one of the War Poets, or at least had been written during the First World War. But no, it comes from Rudyard Kipling's famous poem 'Recessional'. This ode wasn't written in wartime but in 1897. It was originally published in the Times newspaper for Queen Victoria's Diamond Jubilee. The British Empire was then at its peak and the Jubilee was seen as a full celebration of Britain's place in the world.

The text of 'Recessional' may be read at

<https://www.poetryfoundation.org/poems/46780/recessional>

Kipling's prayer-poem is a word to that generation and to ours. Rather than a call to remember the fallen, the plea 'Lest We Forget' is a warning not to forget God.

It urges people not to dishonour God who has given so generously with our foolish boasting- "If, drunk with sight of power, we loose/ Wild tongues that have not Thee in awe".

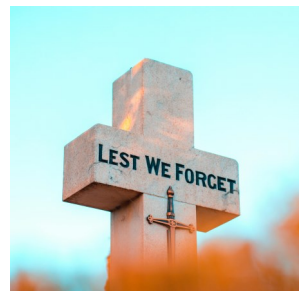

It reminds them of the need for the right attitude to God, the ancient sacrifice of "an humble and a contrite heart."

It warns that God had brought down other great empires, asking if our nation shall go the same way? "Lo, all our pomp of yesterday/Is one with Nineveh and Tyre!"

As such it has an important message for us today. As we rightly remember the many who have died in the service of our nation, we must not think of ourselves more highly than we ought. We should remember the one who really has given us good things and brought us safely to the beginning of each day. Lest we forget God, and having forgotten, we go the way of other great nations and peoples.

*Judge of the Nations, spare us yet,  
Lest we forget, lest we forget!*

Every Blessing,  
Revd Bryan Kerr  
Priest-in-Charge of  
St Thomas', St Peter's, St John's Churches
