

# DEEP HOPE

A day celebrating creative mission in Cumbria and across the North.

With input from Nigel Pimlott, Mission and ministry consultant, coach, writer and semi-retired foster carer.

During the day we will unpack the challenges of finding deep hope in the midst of some big problems, how we can recognise the deep hope of kingdom in our communities and the why, how and what of good, deeply hopeful choices we might make.

The event will be a mixture of input, workshops, discussion, resources and story. As well as contributions from Nigel and local leaders they'll be plenty of time to share with one another your experiences of creative mission and ask questions.

Wherever you are on the journey, all are welcome.
